1. Black History Month

Mayor R. Bonnette announced that February is Black History Month in Canada and invited members of the public to explore the programs offered here in Halton Hills, and also, to support the organizations that make our community more inclusive through their ongoing work. Mayor R. Bonnette took the opportunity to thank the African Caribbean Association of Halton (ACCH) for their continued leadership in the community. Once again, the ACCH has brought forward an important piece of advocacy; a proclamation celebrating the legacy of Black Canadians through the recognition of Black History Month. This document reminds us that there is strength in diversity, and to learn, share and celebrate the many contributions Black Canadians have made to society. You can find the full proclamation in the General Information section of this meeting's agenda. Mayor R. Bonnette encouraged members of the public to read it in full and support the work of the ACCH.

Mayor R. Bonnette announced that this year, the Town is partnering with two other key organizations in the region to offer programs for the public. The Halton Hills Public Library and Cultural Services are presenting the following:

- Clef Notes to Canvas in partnership with the Canadian Caribbean Association of Halton
- Local Lens: The Black Experience in Halton narrative contest in partnership with the Halton Black History Awareness Society

Other programming highlights this February include:

- "The Stone Thrower" Storywalk® at the Library in both Acton and Georgetown locations

Beyond February, the Town remains committed to offering programs yearround that spotlight black artists and voices - through the Helson Gallery, Culture Days, Halton Hills Public Library, and more. As we continue to make Halton Hills a more inclusive and equitable place to live, all of us have a part to play; to educate ourselves and treat one another with empathy.

2. Staff Recognition - Association of Ontario Road Supervisors

1. Affordable Child Care in Halton

Resolution No. 2022-0019

Moved by: Councillor W. Farrow-Reed Seconded by: Councillor A. Lawlor

WHEREAS childcare spaces in Halton Hills and across Ontario have decreased as a result of the pandemic, and the lack of childcare spaces is a barrier to our economic recovery, and an Ontario Chamber of Commerce report, "The She-Covery Project: Confronting the Gendered Economic Impacts of COVID-19 in Ontario", confirmed that child care is simply unaffordable and/or inaccessible for too many working families in Ontario;

AND WHEREAS Tina Agrell from Advancement of Women Halton, wrote in the Oakville Beaver: "As Ontario lays the groundwork for recovery, the development of a quality, inclusive, and publicly funded childcare system is crucial. Why? To invest in the development of Ontario's children; to support economic development to end the 'she-cession' and support the return of women to the labour force. It pays for itself through employment and income taxes; and it eliminates parent's financial barriers to a quality and inclusive childcare system";

AND WHEREAS the Federal government introduced its plan for early learning and child care in April 2021, made agreements with nine provinces and three territories and recently campaigned on delivering \$10 a day care in five years or less;

AND WHEREAS Ontario's Minister of Education stated in August 2021 "We're very committed to a good deal for Ontario, but it must respond to the unique advantages of this province";

AND WHEREAS the Canadian Centre for Policy Alternatives reported that in 2020, the median cost for an infant in full-day child care in the GTA suburbs was between \$17,400 and \$19,300, and under the new national child care plan, parents in Halton would save \$14,843 a year for an infant in 2026;

NOW THEREFORE BE IT RESOLVED THAT the Town of Halton Hills supports the creation of accessible and affordable child care spaces for Halton families;

AND FURTHER THAT the Town of Halton Hills encourages the Federal government and the Ontario government to reach an equitable childcare agreement that acknowledges the provincial investment in full-day kindergarten and delivers affordable and accessible child care spaces for Ontario families:

AND FURTHER THAT a copy of this resolution be sent to Prime Minster Justin Trudeau, the Federal Minister of Families, Children and Social Development, Premier Doug Ford, the Minister of Education for Ontario, local Members of Provincial Parliament, local Members of Parliament, the Association of Municipalities in Ontario, Ontario's Big City Mayors, the Big City Mayors Caucus (Canada), the Federation of Canadian Municipalities, the Ontario Coalition for Better Child Care and the Advancement of Women Halton.

2. Dissolve Ontario Land Tribunal

Resolution No. 2022-0020

Moved by: Mayor R. Bonnette

Seconded by: Councillor C. Somerville

WHEREAS Municipalities across this province collectively spend millions of dollars of taxpayer money and municipal resources developing Official Plans that meet current Provincial Planning Policy;

AND WHEREAS an Official Plan is developed through months of public consultation to ensure, "that future planning and development will meet the specific needs of the Town of Halton Hills community";

AND WHEREAS our Official Plan includes provisions that encourage development of the "missing middle" or "gentle density" to meet the need for attainable housing in our community;

AND WHEREAS our Official Plan is ultimately approved by the province;

AND WHEREAS it is within the legislative purview of Municipal Council to approve Official Plan amendments or Zoning By-law changes that better the community or fit within the vision of Town of Halton Hills Official Plan;

AND WHEREAS it is also within the legislative purview of Municipal Council to deny Official Plan amendments or Zoning By-law changes that do not better the community or do not fit within the vision of the Town of Halton Hills Official Plan;

AND WHEREAS municipal planning decisions may be appealed to the Ontario Land Tribunal (OLT; formerly the Ontario Municipal Board or "OMB"), an unelected, appointed body that is not accountable to the residents of the Town of Halton Hills:

AN WHEREAS the OLT has the authority to make a final decision on planning matters based on a "best planning outcome" and not whether the proposed development is in compliance with municipal Official Plans;

AND WHEREAS all decisions—save planning decisions—made by Municipal Council are only subject to appeal by judicial review and such appeals are limited to questions of law and or process;

AND WHEREAS Ontario is the only province in Canada that empowers a separate adjudicative tribunal to review and overrule local decisions applying provincially approved plans;

AND WHEREAS towns and cities across this Province are repeatedly forced to spend millions of dollars defending Official Plans that have already been approved by the province in expensive, time consuming and ultimately futile OLT hearings;

AND WHEREAS lengthy, costly OLT hearings add years to the development approval process and act as a barrier to the development of attainable housing;

NOW THEREFORE BE IT RESOLVED THAT Council for the Town of Halton Hills requests the Government of Ontario to dissolve the OLT immediately thereby eliminating one of the most significant sources of red tape delaying the development of more attainable housing in Ontario;

AND FURTHER THAT a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario, the Minister of Municipal Affairs and Housing, the Leader of the Opposition, the Leaders of the Liberal and Green Party, all MPPs in the Province of Ontario; the Large Urban Mayors' Caucus of Ontario, the Small Urban GTHA Mayors and Regional Chairs of Ontario:

AND FURTHER THAT a copy of this Motion be sent to the Association of Municipalities of Ontario (AMO) and all Ontario municipalities for their consideration.

3. New Gravel Extraction Licensing applications

Resolution No. 2022-0021

Moved by: Mayor R. Bonnette Seconded by: Councillor J. Fogal

WHEREAS Ontario currently has over 5000 licenced pits and quarries located throughout the province that are able to meet the expected near term needs of Ontario's construction industry;

AND WHEREAS applications continue to be submitted without a definitive determination if there is a need for additional supply;

AND WHEREAS gravel pits and quarries are destructive of natural environments and habitats;

AND WHEREAS pits and quarries have negative social impacts on host communities and neighbouring properties in terms of noise, air pollution, and truck traffic;

AND WHEREAS the urgent need to reduce greenhouse gas emissions in order to combat climate change has brought awareness to the very high carbon footprint associated with the production of concrete and asphalt which are major end-users of aggregates;

AND WHEREAS there is an obligation to consult with First Nations peoples regarding the impacts of quarries on treaty lands and a responsibility to address those impacts;

NOW THEREFORE BE IT RESOLVED THAT the Ontario government be requested to impose an immediate temporary moratorium on all new gravel mining applications pending a broad consultation process including with First Nations, affected communities, independent experts and scientists to chart a new path forward for gravel mining in Ontario which:

- Proposes criteria and processes for determining the need for new gravel licences;
- Recommends updated policies and restrictions for gravel mining below the water table to reflect current groundwater sciences;
- Develops new guidelines for reprocessing in order to ensure sustainable aggregate supplies;
- Recommends a fair levy for gravel mining that includes compensation for the full environmental and infrastructure maintenance costs to the local community of extraction and distribution of aggregate;
- Provides greater weight to the input by local municipalities to lessen the social impacts from mining operation and trucking through their communities;
- Proposes revisions to application procedures which fully honour First Nations' treaty rights;

AND FURTHER THAT a copy of this resolution be sent to the Honourable Doug Ford Premier of Ontario, the leaders of all Provincial Parties, Minister of Natural Resources and Forestry, the Honourable Ted Arnott MPP, AMO, Small Urban GTHA Mayors, Top Aggregate Producing Municipalities of Ontario (TAPMO), James Seeley, Mayor of Puslinch, Town of Milton, Town of Oakville and City of Burlington.
