4.a Heritage Strategy - Nominations and Next Steps

L. Loney led the committee through a workshop to review the listed properties committee members flagged for possible nomination. As per the Heritage Strategy listed properties will be reviewed and allotted points to assist with prioritization. The first step of the process is to have the committee nominate those properties that they feel are worthy of possible designation in the future and give those properties an extra 10 points toward their overall prioritization score. All properties on the list will be reviewed in terms of the heritage criteria set out be staff and approved by Council and those with the highest weighting will be prioritized for possible designation prior to their removal from the registry.

Committee members submitted their recommendations for potential nomination from the Heritage Registry which contains 750+ properties. The total number of properties initially put forward was approximately 300 properties.

The committee discussed the possibility of Heritage Conservation Districts to protect areas rather than just property by property. L. Loney noted that at this time Heritage Conservation Districts were not part of the strategy or direction by Council. L. Loney will however advise Council that the committee has noted the potential benefits of having Heritage Conservation Districts.

As review of the properties proceeded the committee opted to remove standalone cemeteries from their proposed properties, noting that as cemeteries have existing general protections under the Cemeteries Act, they would prefer to focus on properties that have no protections.

Through the course of the review of the Acton properties the absence of a property on the Heritage Registry known as Hill Hall located at 75 Main Street South, Acton was noted, and the committee decided it needed to be researched further for potential listing.

Recommendation No. HHH-2023-0004

THAT Heritage Halton Hills recommend additional research of the property located at 75 Main Street, South, Acton (also known as Hill Hall) for potential listing on the Heritage Property.

CARRIED

The complete list of committee-nominated properties is attached as Appendix A to these minutes.

Recommendation No. HHH-2023-0005

THAT Heritage Halton Hills recommends that the properties listed in Appendix A to these minutes be nominated and receive the additional 10 points for the prioritization strategy.

Note: Staff discovered after the meeting that there was no need for a twopart recommendation requesting both listing and designation therefore only the designation recommendation is listed in the minutes to ensure clarity.

THAT Heritage Halton Hills recommend that Council designate the property at 12418 Sixth Line (Limehouse Presbyterian Church) under Part IV of the *Ontario Heritage Act*.
