

MARCH 13, 2026

The Town of Halton Hills is holding a Special Meeting of Council under Section 26 of the Planning Act to inform the public about the Town's intent to establish a Protected Major Transit Station Area (PMTSA) around the Georgetown GO Station.

A PMTSA is an area planned for higher-density, mixed-use development near major transit stations. In this case, the PMTSA would apply within the Georgetown GO Station / Mill Street Corridor Secondary Plan study area and would guide future land use, building types, and minimum density requirements near the station.
